

**Dear Award Committee:**

**The following is a copy of an e-mail message I received from Judith Black in which she offers to write a letter of support for Sean Buvala. Since I did not receive her letter by the time my schedule required that I send everything to you, I asked Judith to e-mail or mail her support letter to you separately. The e-mail message I have included with this nomination, however, clearly demonstrates Judith's support for Sean!**

Dear Joyce,

If it's not too late, I believe that Sean might just be one of the world's best living humans and would gladly write a letter of support to NSN for the award.

Best,

Judith Black
